## Where in the world?

### WELCOME BACK

Welcome back we hope you all had a fun but restful Easter break, it's so nice to see the sun out and the weather (hopefully) getting warmer.

Our topic for the next 2 terms will be Where in the world? We have some wonderful texts to read with the children plus we hope to have someone to come in and run a music workshop with the children so watch this space.

We will continue working on key skills that are required for Year 2 children, this will include weekly spellings that need to be learnt, weekly mental maths (in the mental maths books) and of course reading. At this stage in the year, we would expect children to be changing their 3 reading books every week and reading to an adult at home at least 3 times a week. Remember for every 2 times your child reads they will earn a star which has the same value as 10 house points. A maximum of 3 stars can be earned each week.

If you have any worries or just want to ask us a question either contact us on seesaw or by the school admin email address and a member of the team will respond as soon as they can

We look forward to a busy term!

### Routines

#### PE

PE will continue to be every Tuesday afternoon. Please ensure children have the correct PE kit in school. We are aiming to be outside for as much of the PE as we can this term.

#### Summer weather

Now that we are starting to see warmer weather on the horizon please could you ensure that all children have a water bottle in school (filled with water not juice please) and a named hat.

#### Homework

Children will bring spellings home on a Friday and will be re tested on a Thursday. Please ensure the little blue book is in school every Thursday.

#### Swimming

Swimming starts this term, more information will follow regarding this.

#### Seesaw

We will continue to share children's work and successes on seesaw and we always love to see what the children do at home too, so keep on posting.
