

The World  
in our  
Hands

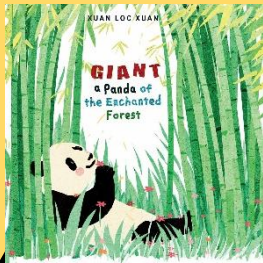

**READING FOR PLEASURE**  
We will be reading **Lottie saves the Bees**. This will provide stimulus for our fiction writing, thinking about the role of individuals.

We will use a section of the non-fiction text **10 Things I can do to help my World** to consider how we can make a difference. We will use this text for instructional writing.

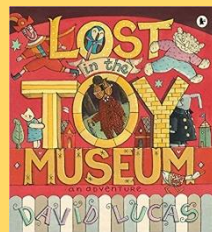

We will use **The Knight who wouldn't fight** as part of our writing to entertain, using it to sequence a narrative.

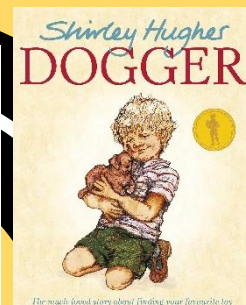

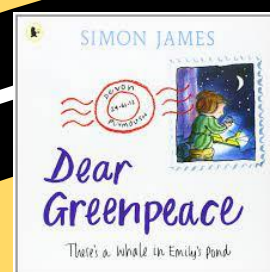

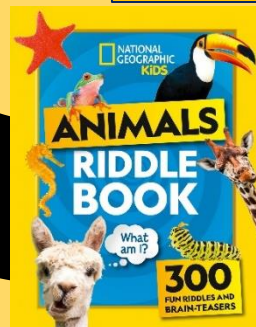

These books will enrich our learning in other curriculum areas.

Year 1 will read a variety of Read Write Inc. books as part of their phonics learning.

As part of our poetry unit we will be looking at riddles. We will use the **Animals riddle Book** to provide inspiration .

**Tetbury**

**Year 1's  
SUMMER  
Reading Road**

We will use **Dear Greenpeace** and **Dogger** as part of our writing to entertain and inform.
