

English

During this term we will continue building narratives, using the book 'The Knight who couldn't fight' to start looking at writing the different parts of a story. We will use a variety of other texts to support our writing to inform and entertain.

Children will be introduced to a variety of grammar concepts, including '-est' and '-er' endings on adjectives.

Phonics: We will continue to use the Read Write Inc. scheme to support preparation for the phonics screening check this term. Please continue to support your children by encouraging them to read frequently.

Maths

We will continue with number place value (within 50) ensuring a solid understanding of all numbers from 0-50. We will then start to introduce the concept of multiplication and division.

We will also look at some more practical maths, including time, fractions, and position and direction.

Science

Seasons and weather: *How does weather change with each season?*

We will look at the changes associated with the four seasons and compare the weather for each one. We will investigate how day length varies with the seasons and identify when days are longer or shorter.

Geography

OCEANS: What is it like to live in Shanghai?

In geography, we will be locating China and learning about its physical and human features. We will then do a comparison to Tetbury and our local area.

Summer

Year 1 2022-23

History

TETBURY: How are your toys different to the toys granny had?

We will look at how St. Mary's has changed from when grandparents attended. We will also investigate how toys have changed, comparing ones they have now to ones that grandparents may have played with in the past.

Computing

The children will start with a lesson learning about online safety before looking at technology outside of school.

PE

During the term we are lucky enough to have a football coach in term 6. We will also be developing our athletic skills.

DT

The children will be developing their understanding of mechanisms looking at wheels and axels and designing their own vehicle.

Music

This term we will be looking at improvisation within the theme 'What songs can we sing to help us through the day?'. We will listen to, appraise and perform a variety of songs.

PSHE

Our focus during this term will be *Relationships* where children think about their families and friends. We will also look at *Changing Me* and how we have changed from when we were babies.

RE

During the term we will be exploring the big questions:

- 1) *Who is Muslim and how do they live?*
and
- 2) *What makes some places sacred to believers?*

Art

The children will start exploring a variety of artists who create 3D art. They will draw on inspiration to create their own standing birds.
