

## English

The children will continue to enjoy reading their class book each day and sharing texts in whole-class guided reading sessions. Key texts will include Journey to the River Sea by Eva Ibbotson, The ancient Maya, The Just So stories and What Mr Darwin Saw.

<https://www.thenational.academy/online-classroom/year-6/english#subjects>

## Maths

Children will consolidate their knowledge of Place Value and Fractions, decimals and percentages. We will develop knowledge and understanding across a range of topics, including algebra, converting between measures, and properties of shape.

<https://www.bbc.co.uk/bitesize/subjects/z826n39>

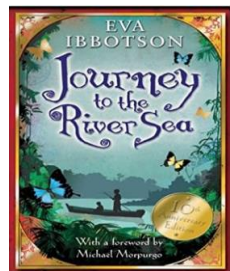

## Science

We will be studying Evolution and Inheritance. Children will also research the history of evolution from Ancient Greek ideas to those of Charles Darwin.

# Exploration and discovery

Year 6 HOME LEARNING TERM 6

### Useful websites:

<https://whiterosemaths.com/homelearning/year-6/>

<https://www.bbc.co.uk/bitesize>

<https://www.thenational.academy/online-classroom>

## Computing

Children will continue learning how to write a blog.

## History

Please research the Ancient Maya. Where did they live? How did they live? What gods did they worship? We will compile a fact file about the ancient Maya using our research and include drawings and diagrams.

## Geography

We will discover through research how climate change is affecting the world. We will also study Mexico describing some key aspects of physical geography.

<https://www.bbc.co.uk/bitesize/clips/>

## Art and Design

We will be creating artwork based on the work Darrell Wakelam.

<https://www.darrellwakelam.com/downloads>

## RE

This term we will be discussing the question:

**Why do some people believe in God and some people not?**

Define the terms atheist, theist and agnostic.

## PSHE

This term we will focus on 'Relationships. We will learn about important relationships in our lives and how to take responsibility for our own well-being.

## Music

We follow the Charanga scheme of work for music. This term we will listen to, and appraise classical music and improvise with voices and instruments.

## French

Throughout the term, we will learn more about France and the French language.

<https://www.youtube.com/channel/UC5m9rMLpAe9DEuFq3fPfdbQ?safe=true>

## PE

This term, PE sessions will focus on rounders and athletics.

Try PE with Joe Wicks
