

Maths

- Place value
- Addition and subtraction
- Multiplication and division

Problem Solving and Reasoning throughout Maths

English Fiction

- **UG Boy Genius of the Stone Age** by Raymond Briggs. These texts will provide various opportunities including persuasive writing, story writing and writing to entertain.

Non Fiction

Newspaper reports, adverts and instructions all linked to our topics and class texts.

History

Knowing and understanding the nature of ancient civilizations

- Understanding what is meant by the term 'prehistoric'
- Investigating reasons why people came to settle in Britain
- Learning about changes in Britain from the Stone Age to the Iron Age

Religious Education

People of God

- We will be exploring how some Christians believe the Earth was made. We will also be learning about the story of Adam and Eve.

-We will be thinking about the ceremony of Baptism and the significance of Jesus' Baptism.

ROCK 'N' ROLL

Year
3 Terms
1-2 2021

Music

Building on knowledge and understanding of music through listening, appraising and performing.

We will be using glockenspiels throughout.

Computing

- Coding
- Esafety
- Spreadsheets

Science

Investigating rocks and soils, linking with the local area

- Recognising that different sorts of rocks have different characteristics
- Discovering what soils are made from and investigating the different parts
- Finding out how fossils are formed when things that have lived are trapped within rock

Art

Learning about **Paleolithic Cave Painting** before creating our own. Comparing and contrasting the colours obtained naturally with the man-made pigments available today. Exploring how a caveman might "lighten" the colours they were using.

PSHE

Dreams and Goals

- Dreams and ambitions
- New challenges
- Overcoming obstacles

French

Madame Fuller will be coming into school to teach us French on Thursdays

P.E

- Dance
- Gymnastics
