

## Year 6 – Homework – Groovy Greeks Term 1 2021-22

We have created three homework tasks to enrich our topic, House points will be awarded for work completed. Each task shows when it can be handed in – please do not hand it in before the date shown.

Please support your child with these tasks but encourage your child to work as independently as possible! Make sure your work is presented neatly: handwriting must be neat and use a ruler to underline. Thank you.

Research Greek food. Please write out a recipe, make it and take a photograph of it to stick in your homework book. You could then bring your delicious food into school to share!

Thank you.

**Due on Friday 15<sup>th</sup> October**

Make a simple board game about ancient Greece. You could give your game a name. Write instructions to explain how to play your game on a sheet of paper.

OR

Design and make a labyrinth. Can you roll a marble around it? This could be made out of card or lego.

We will have the opportunity to share and play our games in class as this is also our ancient Greek WOW day.

**Due on Friday 26<sup>th</sup> November**

Draw a picture of a new Greek god or goddess. Remember to give him or her a name and write a paragraph about why he or she is important.

OR

You could write a Greek myth involving your new God.

**Due on Friday 10<sup>th</sup> December**

### Optional swap

*If there is a particular topic about ancient Greece that really interests you, which you would like to study and share with the class, then you can swap this with one of the above tasks. Please hand it in on the same date.*

*Our Greek 'WOW' Day date is Friday 26<sup>th</sup> November so please start to think about what you will wear as you come to school, dressed as an Ancient Greek for the day.*
