Spring Term 3 + 4

Welcome back! We hope you have all had a good Christmas and a very Happy New Year.

In term 3 we will be using our forest school. You should have received communication around this. Can the children please bring in forest school clothes to change into on a Friday. Remember to wrap up warm.

We have some really exciting topics for the next two terms. In term 3 we will focus on the key question of: why do people live near volcanos. In term 4, we move on to learning all about the Romans and why they were so successful.

If you would like to help your child engage in this topic further, please have a look at the Geography and History knowledge organiser for this term and next (on the school website).

You should all have your Seesaw home learning codes, which were given out last term. This is for your child to access work should the school close due to snow. If you have not received this code or have any difficulties accessing it, please get in touch with one of us.

If you have any concerns or questions please do not hesitate to contact one of us. Best wishes,

Mr Bartrop

This term's Christian value is:

Curiosity

Routines

Physical Education
P.E. will take place on a **Monday**
Please ensure your child has a complete, named P.E. kit in school at all times.

The Den
Our class Den slot is every other **Wednesday morning**. These books will be in our classroom to promote a wide range of reading.

At Home Reading Practice
We use Accelerated Reader at school, which creates a 'Goldilocks Zone' for your child's reading level. Children will take home a book within this zone. They then take a quiz on the book to assess their understanding at the end.

Reading at home
Please try and listen to your child read AT LEAST 3 times a week.

Times Tables
In Y3, your child will be learning the 3s, 4s and 8 times tables. Please practice these with your child when you can.

General Reminders
Please ensure your child has the correct school uniform and a NAMED water bottle in school at all times.
