

Year 3 – Homework – Spring Term

We have created three homework tasks to enrich our topic, House point tokens will be awarded for work completed. Each task shows when it can be handed in – please don't hand it in before the date shown. Please feel free to upload a picture on Seesaw if it is easier. Please support your child with these tasks but don't do them for them!

Volcano Making

It would be great if you could have a go at designing your own volcano! It can be made out of anything you like or have lying around. It doesn't need to bubble up if you don't want it to, but can do if you would like.

Due on Monday 6th February

Roman board game

We would like you to create your own Roman board game. Try to keep the game simple so you can play it with a friend in school. Think about the materials that would be available e.g. hazelnuts, stones and marbles.

Due on Monday 6th March

Mini Roman Shield

Can you design and make your own Roman shield. It does not have to be life sized! You could use a cereal box as a template.

Due on Monday 27th March

Each piece of homework does not need to be completed in one go but it should be completed with care.
