

## English

During this term, we will create instructions to inform and adverts to persuade as well as diary entries and adventure stories to entertain. Through narrative poetry, we will develop rhyming pattern and language. Spelling lessons will take place each week and the children will enjoy reading our class book as well as sharing texts in Guided Reading. Please continue to support your children by encouraging them to read frequently.

## Maths

In Year 5, the children will continue their work with fractions as well as written multiplication and division methods. We will also begin to understand decimals and percentages. In Year 4, we will continue with multiplication and division as well as begin work on fractions. The children will also continue daily work on their times tables and arithmetic skills through Early Bird Maths.

## Science

**LIFE CYCLES:** *How do life cycles differ between plants and animal groups?*

Throughout the term, we will find out how plants reproduce before comparing the varying life cycles of different animals.

**MECHANISMS:** *Why are gears, pulleys and levers useful?*

We will look at how mechanisms work and how they can turn small forces into larger forces.

## Geography

**MOUNTAINS:** *What is life like in the Alps?*

In geography, we will be studying The Alps and learning about where they are, what life is like there, tourism in the area and comparing the Alps with our locality.

# Spring

Year 4&5 2023-24

## History

**ANGLO-SAXONS & VIKINGS:** *Who were they and how did they change Britain?*

In history, we will learn about the Anglo-Saxons & Vikings as invaders. We will learn about settlements and village life, gods and the rise of Christianity as well as Viking invasions.

## Computing

The children will start with a lesson learning about online safety before learning about Concept Maps. This will involve understanding the need for visual representation and how to make a concept map.

## PE

During the term we will be learning a dance to perform at the Dance Festival. We will also be developing our skills and team work in dodgeball and football.

## DT

The children will be developing their constructions skills by looking at how to build bridges.

## Music

The children will explore key and time signatures, celebrating a wide range of musical styles. Lessons will cover listening, singing, playing and composing.

## PSHE

Our focus during this term will be thinking about our *Dreams and Goals* where we consider how to support each other in future careers. We will also look at *Healthy Me* and what risks there are to our health.

## RE

During the term we will be exploring the big questions:

- 1) *What does it mean to be a Muslim in Britain today?*
- 2) *Why is the Torah so important to Jewish people?*

## Art

The children will use mixed media to create energetic land and cityscapes. We will look at the work of artists who are inspired by the land and city where they live before developing our own styles.
