

England Unearthed

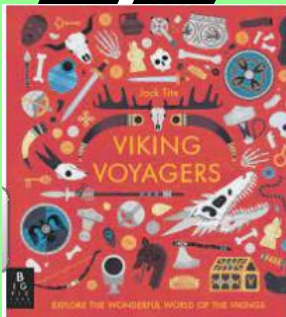

READING FOR PLEASURE

We will be reading White Horse of Zennor, a range of Norse Myths and Anglo-Saxon boy as our class books. These texts will feed into discussions around the beginning of England.

We will be reading Beowulf as our main fiction text during term 5. We will explore the characters and plot within the text. Viking Boy will be used to explore the history and beliefs of the Viking era. The story explores the Vikings as raiders.

Throughout the term, we will be using Anglo-Saxon Times and Viking Voyagers to explore how both cultures developed and impacted these shores.

Both texts are filled with wonderful facts and diagrams which will inspire and capture the children's imagination.
