

Light up
the
world!

Can you see
the magic of
light?

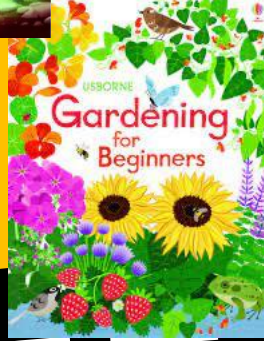

These are our reading
for pleasure books. They
will feed into our
narrative writing

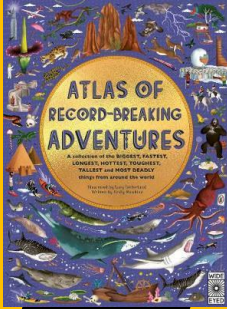

Leon and the Place
Between will be our
core book. It will
provide stimulus for our
narrative writing and
poetry units.

These texts will help us
achieve our outcomes in the
wider curriculum –
understanding and describing
key geographical features of
the world.

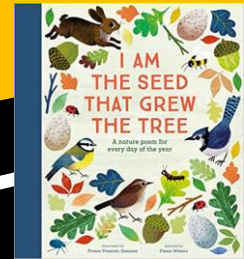

This non-fiction book will
provide stimulus for our
persuasive writing unit of
“Why are bees
important?”

Year 3 Summer Reading Road

From the wonder of
light helping plants
grow, to the amazing
features of our world,
to the “how did they
do that?” of magic.
Curiosity feeds our
reading road this
term.

A caring, curious and courageous curriculum.

Year 3 will read, enjoy
and recite a variety of
poems taken from this
book. This will link to
our work in Science
based on plants.
