

Year 3 – Homework – Light up the world!

We have created three homework tasks to enrich our topic, House point tokens will be awarded for work completed. Each task shows when it can be handed in - please don't hand it in before the date shown. Feel free to upload a picture on Seesaw if it is easier.

Please support your child with these tasks but don't do it for them!

Country Creations

This term we are learning about different countries from Europe and North America. Pick a country from one of these continents and then see if you can create something about that country. It could be a fact file, a piece of art, copying their flag or making some food from that country (but if you pick France, no frogs legs or snails please... bleurgh!)

Due on Monday 9th May

Map Making

We would like you to create your own map of an area you know well. It could be your house, your estate or your grandparent's allotment - anywhere! Make sure you include grid references and a key to understand the different parts of your map.

Due on Monday 6th June

Bee B&B

We will be learning about the importance of bees to our planet. It would great if you could create a perfect bee hotel. If you can't bring it into school, maybe just take a photo of it.

Due on Monday 4th July

Each piece of homework does not need to be completed in one go but it should be completed with care.
