

Light up  
the  
world!

Where in the  
world will you  
go?

These are our reading  
for pleasure books. They  
will feed into our  
narrative writing

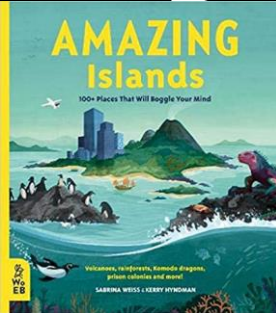

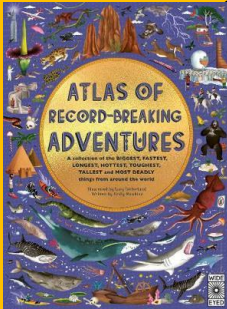

Around the World in  
Eighty Days and the  
story of Phileas Fogg will  
be our main inspiration  
in English as we travel  
around the world with  
him.

These texts will help us  
achieve our outcomes in the  
wider curriculum –  
understanding and describing  
key geographical features of  
the world.

This non-fiction book will  
provide stimulus for our  
persuasive writing unit of  
“Why are bees  
important?”

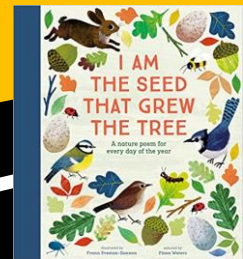

## Year 3 Summer Reading Road

A caring, curious and courageous curriculum.

Year 3 will be learning  
about just how amazing  
light is. This text will  
help with our Science  
learning.

From the wonder of  
light helping plants  
grow, to the amazing  
places to visit in our  
world. **Curiosity** feeds  
our reading road this  
term.

Year 3 will read, enjoy  
and recite a variety of  
poems taken from this  
book. This will link to  
our work in Science  
based on plants.
