

English

The children will continue to enjoy reading their class book each day and sharing texts in Whole Class Guided Reading sessions. Please continue to support your children by encouraging them to read frequently. We will be writing to inform, entertain and explain using our topic as a stimulus. Spelling, punctuation and grammar lessons will take place each week.

Maths

In maths sessions, the children will explore numbers to 1,000,000 and further develop their addition, subtraction, multiplication and division skills and apply their knowledge to a variety of problems. The children will also continue daily work on their arithmetic skills.

Science

Our work in science this term will look at the relationships between the Earth, Sun and Moon. We will also examine how the Earth moves in relation to the Sun and the other planets in the solar system. By the end of their work in science this term the children should be able to explain night and day and the Moon's movement around the Earth.

My Place in Space

Year 5 Autumn Term 2020

Computing

The children will develop their computing skills using the Purple Mash scheme. This term the children will be learning about online safety and coding.

Geography

In geography, the children will become more confident at naming and locating countries, counties and cities across the world. They will compare similarities and differences through the study of human and physical geography and look more in depth at mountains, earthquakes and volcanoes. Children will also be developing their fieldwork skills using maps, atlases, globes and digital mapping to locate countries and describe the features studied.

Art and Design

Children will be developing their skills in sketching, textiles, pointillism inspired by space.

PHSE

Our focus during this term will be focusing on reconnecting with our classes. The children will explore their own goals and aspirations, and consider their rights and responsibilities as a British citizen.

RE

During the term we will be exploring the big question: *What does it mean for Christians that God is holy and loving?* We will also study the importance of caring for others.

Music

The children will be listening to, and appraising, a range of music genres as well as learning the song 'Dancing in the Street'. The children will learn how to accompany this piece using glockenspiels.

PE

The children will develop their skills cognitive and creative skills.
