

Year 6 – Homework – **Groovy Greeks** Term 1 2020-21

We have created three homework tasks to enrich our topic, House points will be awarded for work completed. Each task shows when it can be handed in – please do not hand it in before the date shown.

Please support your child with these tasks but encourage your child to work as independently as possible!

Research Greek food. You could write out a recipe, make it and take a photograph of it to share with us. Unfortunately, due to COVID restrictions we will not be able to share any of your delicious food in school. Thank you.

Due on Friday 16th October

Make a simple board game about ancient Greece. You could give your game a name. Write instructions to explain how to play your game on a sheet of paper.

OR

Design and make a labyrinth. Can you roll a marble around it? This could be made out of card or lego.

We will have the opportunity to share and play our games in class.

Due on Friday 18th November

Draw picture of a new Greek god or goddess. Remember to give him or her a name and write a paragraph about why he or she is important.

OR

You could write a Greek myth involving your new God.

Due on Friday 8th December

Optional swap

If there is a particular topic about ancient Greece that really interests you, which you would like to study and share with the class, then you can swap this with one of the above tasks. Please hand it in on the same date.

Our Greek ‘WOW’ Day date is to be confirmed but please start to think about what you will wear as you come to school, dressed as an Ancient Greek for the day.
