

The Groovy Greeks

WELCOME BACK

Welcome to Year Six. We have already started the year brilliantly with our fantastic visit to Morfa Bay. We hope the children had a great time and have recovered!

Year Six is such an important year for your children as not only is this their final year in primary school but this is the year where we aim to instill independence and self-motivation as we prepare them for the transition to secondary school.

There will be great emphasis placed upon key skills this year such as reading, spelling and arithmetic. Children will also need to have rapid recall of all multiplication tables up to 12x12 because this knowledge runs as a key thread through all our maths learning this year.

Children need to read regularly as it is vital that they can access, read and understand a wide variety of texts on different subjects. Texts can include fiction, non-fiction, newspapers, magazines and graphic novels.

Spelling lists have been sent home so please help your child to learn their spellings. Tests will take place every Friday.

We want this year to be a happy and successful one for all our year 6 pupils and we look forward to having a busy and enjoyable year with them all.

Routines

Physical Education

P.E. will take place on a
Thursday afternoon
Please ensure your child
wears PE kit to school.

Class Book

We are reading Holes by
Louis Sachar. If your child
would like their own copy,
please order one from the
Yellow Lighted Bookshop.

Reading

Your child will read a
variety of texts in every
lesson. We will also hear
your child read on an
individual basis each week.

Reading at home

Please listen to your child
read AT LEAST 3 times a
