

WILLOW CLASS

Rock 'n' Roll

Term 1-2

Welcome to KS2!

We have been back a little while now and the children have settled into Year 3 life brilliantly, I have been very impressed!

Our topic this term is Rock 'n' Roll. In term 1 we will focus on the Stone Age and Rocks and Soil. In term 2, we move onto the Bronze and Iron Ages as well as learning about Magnets! If you would like to help your child engage in this topic further, please have a look at the History and Science knowledge organisers for this term on the website. They show much of the content we will be covering.

I have sent out Seesaw home learning codes for this year. This is for your child to access work should they need to self-isolate and asymptomatic. If you have not received this code, please let me know and I will send one home.

If you have any worries or just want to ask me a question either pass on a verbal message at drop off or email the school office who will pass the messages on to me and I will contact you as soon as I can.

Best wishes,

Mr Hainsworth
