

Our Place in Space

WELCOME BACK

Hello and a very warm welcome to Year Five! It seems like we have been away for so long; it's lovely to be back all together. We hope you all had a fantastic summer break and are ready to start the new school year with fresh energy!

Our topic this term is so interesting and broad that it will last until Christmas! We will be learning about Our Place in Space which includes learning about the Solar System and the history of space travel.

Forest School sessions start in December and we will keep the kit in school unless it becomes wet or very dirty.

There will be a lot of emphasis on key skills this year such as reading, spelling and number facts in Maths (rapid recall of times tables as well as related number facts). Any practice you can do on these key skills at home will help the children form a solid base for their understanding.

If you have any worries or just want to ask us a please email the school office who will pass the messages on to us and we will contact you as soon as we can.

We look forward to a busy term!
