

## Under the Canopy Spring-terms 3 and 4

Welcome back after the Christmas break. Our topic this term is **Under the Canopy** and we will be exploring the question, "Why do rainforests matter?" For more information, please see our topic web on the school website.

As part of our learning about the Hindu faith in R.E. we will be taking part in an interactive learning experience about the Indian culture and what it means to be a Hindu in Britain today.

We will be having our **weekly spelling check every Thursday**. The children will have brought home their list of words for term 3 to learn for homework. These can also be found on your child's journal on SEESAW.

By the end of Year 4 there is the expectation that the children will be able to **recall all times table facts to 12x12**. Websites to help with practising times tables are also on SEESAW. These will help your child to prepare for the *Year 4 Multiplication Table Check* which is statutory for all primary schools in June, 2022.

Please encourage and support your child to learn their weekly spellings and times table facts.

If you have any questions, please contact us via the school office and we will get back to you

We look forward to an exciting term of learning!
