

# Year 6 Homework **SURVIVORS** Term 3 2021-22

We have created three homework tasks to enrich our topic. House point tokens will be awarded for work completed. Each task shows when it can be handed in - please don't hand it in before the date shown.

Please support your child with these tasks but encourage them to work as independently as possible!

Research rationing recipes. You could write out a recipe, make it and bring in your dish for the class to try or just take a photograph to share with us. Please make sure there are no nuts in any food you bring into school. Thank you.

**Due on Friday 28<sup>th</sup> January**

During world war Two, people had to 'Make Do and Mend' because raw materials were hard to come by. What can you fix, mend or re-use at home to give an item a new life? This could involve simple sewing where you transform an old item of clothing into something new or turning a plastic container into a planter or pencil pot. Use your imagination!

**Due on Friday 11th February**

Posters and Campaigns

During the Second World War, many items were limited. Please design and make a poster which would have encouraged people to reuse items or stop unnecessary waste. For more ideas, please visit <http://www.primaryhomeworkhelp.co.uk/war/campaigns.htm>

**Due on Friday 11th March**

## Optional swap

*If there is a particular topic about World War Two that really interests you, which you would like to study and share with the class, then you can swap this with one of the above tasks. Please hand it in on the same date.*

*Our 'WOW' Day is **Friday 4<sup>th</sup> February** – You will need to think about what you will wear as you come to school, dressed as an Evacuee for the day.*
