

English

We will study the traditional Anglo-Saxon tale of *Beowulf*. After orally retelling the story in their own words, the children will create their own traditional tales. The story will also be the basis for a class debate and the children will create balanced arguments from this.

Maths

The term will start with the children working on their knowledge and understanding of place value. They will then spend time further developing their mental and written methods of addition, subtraction, multiplication and division. As well as this, they will continue to work on their Maths Passport.

Science

Our focus for the term will be on reversible and irreversible changes. We will be separating materials using a range of equipment, understanding evaporation and exploring irreversible changes through scientific investigations.

Heroes and Monsters: Anglo-Saxon Britain

Years 5 and 6

Term 1

2018-19

Computing

We will start the year by exploring e-safety with the children ensuring that they know how to be safe and behave responsibly on-line.

History/Geography

Children will investigate many areas of Anglo-Saxon life in Britain life as well as answering key questions including:
When did the Anglo-Saxons arrive in this country and for how long did they rule?
Who were the important Anglo-Saxons and why were they important? What was everyday life like for Anglo-Saxons?
Where were the Anglo-Saxons from and where did they settle?

Art and Design

The children will create illuminated manuscripts using watercolours as well as pen and ink techniques.

RE

The children will study how believers care for the world and others. We will be looking at the impact Christian Aid has on the life of others in the world.

PSHE

We will be using the Jigsaw scheme of work to discuss 'Being Me in My World'. Part of this work will involve knowing how to be a Global Citizen.

Music

We will be following the Charanga Music scheme of work. Our learning will be focused around one song: 'I'll be there'.

French

We will revise some key French vocabulary (such as days, months, numbers, etc.) We will learn how to give and ask for directions to places in a town and at home.

PE

The children will develop their tennis and football skills through a range of core activities and games.

English

We will start by studying the traditional Anglo Saxon tale of *Beowulf*. We will use this to create our own traditional tales and then

Maths

Place Value, Mental and written methods of +, -, x and ÷.

Science

Heroes and Monsters: Vikings in Britain
