Dear Parents and Carers,

We are well into Term 1 and we are having a busy time at school. Year 6 have spent the week at Morfa Bay in the sunshine, wind and rain - I think they have had all weathers thrown at them but they have had a brilliant time. We look forward to hearing more about their adventures next week. I am sure Year 6 parents will join me in thanking Mrs Danton, Mr Godfrey, Mrs Eke and Mrs Weston for taking them to Wales. Meanwhile at school we have enjoyed Harvest Festival services led by Steve and Pauline from the church. The children have settled really well into their new classes and we are very proud of our Reception children who have been superstars.

All the information you need about class routines and curriculum this term is available on the school website. For Reception classes please visit: <https://www.stmarystetbury.com/life-at-st-marys/foundation-stage>, for KS1 (Year 1 and 2) please visit: <https://www.stmarystetbury.com/life-at-st-marys/key-stage-1> and for KS2 you can go to: <https://www.stmarystetbury.com/life-at-st-marys/key-stage-2>. Please scroll down the pages to find the class newsletters, topic webs, knowledge organisers, homework, spellings and reading roads.

There seems to be an increase in Covid cases and we have been asked what the protocol is for children who test positive. Please keep children at home if they feel unwell and then return them to school when they are well enough. There is no requirement for children and families to stay at home but we would ask that parents keep children at home for a few days if they test positive just to reduce the spread of the virus. Please do not keep children at home unnecessarily or until they test negative. They should not need to miss more than a few days of school unless they are really poorly.

I am very sorry to say that Mrs Wilmott (Reception teaching assistant) will be leaving us at half term. Mrs Wilmott has been working at St. Mary's for almost 30 years in different roles. In recent years she has provided nurture support in the Dolphin Room in the afternoons along with Mrs Lee and she has been running Twiglets after school as well as working in Reception. Mrs Wilmott has a new job working with the other end of the age spectrum - I am sure she will continue to bring her warmth and generous heart to the elderly citizens of our community, and we wish her all the best.

#### Forest School

Forest School will be continuing after half term on Fridays and will be run by Emma from Raffles Forest School. Class teachers will inform parents when it is their turn for Forest School sessions. Emma runs Forest Schools for a number of Gloucestershire Primary Schools and is highly recommended. I am sure the children will look forward to their session resuming.

## Community 100<sup>th</sup> Parkrun

Last weekend, Jacob B in Year 5 completed his 100<sup>th</sup> Parkrun (alongside his Dad)! What an achievement to reach such a milestone! Jacob also wrote a wonderful report about the event, beautifully describing all of the action and emotion of the day. Congratulations Jacob! We are all very proud of you!

Here is an extract from the report Jacob wrote for Tetbury Goods Shed on the Parkrun webpage. Read the full article at:

<https://www.parkrun.org.uk/tetburygoodsshed/news/2023/09/23/event-151-parkrun-report-by-jacob-bowden/>

*Today was my 100 the parkrun! Oh and Daddy's as well!*

*At the start we stood near the front and we were off. I ran past Liam and gave him his usual high five and we were on our way out. We were going at a good pace past all of the smiley volunteers.*

*We went through the Big Gate, Double Decker Gates and before we knew it we were at the Halfway Hairpin. Then on the way back people were saying "Well done Jacob" as we went past them. I said, "Thank you" and Daddy was saying "Well done" to them.*

*With the Good Shed in sight I blasted away from Daddy. I really wanted that PB! I put on an extra burst as Mummy, Liam, Nanny and Grampy cheered me in and crossed the finish line. I had done it, knocking 20 seconds off my best time. Daddy also did well and got a PB!*

([ptfa@st-marys-tetbury.gloucs.sch.uk](mailto:ptfa@st-marys-tetbury.gloucs.sch.uk))

Thanks to all who attended our Annual General Meeting last week. It was great to meet some new parents and thank you for sharing your brilliant ideas with us.

One of the things suggested, was to reintroduce ourselves and explain a little more about what the PTFA does for our school and how you can get involved. So we thought we would use the next few Newsletters as an introduction to all things PTFA!

Firstly, what is a PTFA?

Parent, Teacher and Friends Association is a group of parent volunteers who support the school through putting on events for our children and raising much needed funds to provide opportunities, experiences and resources for our school.

Throughout the school year, the PTFA hold various fun events, from ice cream Fridays to Discos, Christmas Fayres to Summer Fetes. Not only do these events raise money to enrich their school life, the children and their families get the opportunity to meet others within the community, have fun and make wonderful memories to cherish forever.

To keep these events going and to be even more successful this year, we do ask for volunteers to help us. Even things like helping us out for thirty minutes on a Friday after school for ice cream selling, printing flyers, making signs or games for our fayres or giving half an hour of your time to help set up or pack away on a school fete day is greatly appreciated. So please look out for PTFA event emails over the course of the school year and reach out to us if you are able to help.

Over the next few Newsletters, we will introduce our PTFA members and some of our amazing helpers.

Please contact us if you have any questions, would like to know more or feel you are able to help out.

## Community

We are writing as a representatives of the '20 is plenty' campaign for Tetbury - a small group of volunteer residents working to try to reduce the speed limit within central Tetbury.

We are preparing to submit a proposal to Gloucestershire County Council for a Traffic Calming Order and will need the support of our residents. The aim of the proposal is to have the speed limit in central Tetbury reduced to 20MPH (a map detailing where this would be implemented will be live soon).

We would love to involve the children in our community by using their artwork on speed awareness signage around town and this is where I'm hoping you'll be able to help! Please see the above poster (info on what you need to do and where you need to send this below) as well as some basic templates attached.

Stroud  
& Cotswold  
Districts

## Would you like to help people in your local community who are struggling?

Citizens Advice Stroud and Cotswold Districts needs volunteers now more than ever to help make a difference to local people. In the last year we have faced an unprecedented demand due to the cost-of-living crisis.

We are appealing for new volunteers from all backgrounds who are looking for a volunteering role that is both challenging and rewarding. We are looking for people who can give 8-10 hours per week, and are currently recruiting for the following roles:

**Administration/Triage Assistants.** You will provide a professional welcome to callers at the door of our Stroud or Cirencester offices. You will triage callers without an appointment - identifying emergencies and providing information and signposting to other agencies when needed (no advice giving involved). You will also undertake a wide range of administrative tasks, including contacting clients by telephone and text, and handling inward and outbound post.

You must be computer literate but full training in triage and our IT systems will be given.

**Volunteer Advisers.** You will give advice and information (face to face, by telephone and email) to clients on a wide range of problems. No prior advice experience is necessary as full training will be given. Information sessions for volunteer advisers will take place on 18 October 2023 (2-3.30pm) in Stroud and on 8 November 2023 (1-2.30 pm) in Cirencester. Our next training programme will start on 24 January 2024.

Elizabeth Hall, our Chief Executive Officer said:

"Now more than ever, you can really make a difference by volunteering with us. We're seeing more and more people needing support as living costs spiral. As well as helping the local community, we know people who volunteer their time get a lot back. We'll give you all the training you need and would love to hear from you."

To find out more about these roles or register your interest for a volunteer adviser information session please contact our Learning and Development Officer at [training@ca-scd.org.uk](mailto:training@ca-scd.org.uk).
