

# Update for parents

Friday 29th January 2021

Dear Parents,

We are really pleased with the work that the children are doing both at home and in school. Thank you to parents for all the support you are giving the children. Year 6 have been doing some fabulous art work and Year 3 children have made some brilliant Roman Shields. Elm class have completed some work about what we are grateful for in PSE and Year 6 children have been learning about the circulatory system. Reception children have made Superhero capes!

Next week the teachers will be planning an off screen morning on Friday and children who are attending school can come to school in their own clothes. Children will be participating in activities focusing on their well-being as part of Place2Be's Mental Health Week.

## Technical issues with home learning

If any parents are having problems accessing Teams or Seesaw please email the school office: [admin@st-marys-tetbury.gloucs.sch.uk](mailto:admin@st-marys-tetbury.gloucs.sch.uk) and someone will get back to you.

## Children mixing with other households

We have been contacted by several members of the local community with concerns about children mixing with other children outside school in the evenings and at weekends in public places. We are still maintaining the bubbles in school, so children are only mixing with children in their year group bubble if they attend school. Outside of school, families should continue to follow the government guidance about meeting others (below).

## **Meeting others**

You cannot leave your home to meet socially with anyone you do not live with or are not in a [support bubble](#) with (if you are legally permitted to form one).

You may exercise on your own, with one other person, or with your household or support bubble. This should be limited to once per day, and you should not travel outside your local area.

You cannot meet other people you do not live with, or have not formed a support bubble with, unless for a permitted reason.

[Stay 2 metres apart](#) from anyone not in your household or support bubble.

We ask parents to ensure they are encouraging children to following this guidance.

I hope you all have a relaxing weekend.

Mrs Woolley

Headteacher
