School Ethos

St Mary's CE Primary School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

At St. Mary's we:

- Monitor and review our anti bullying policy and practice on a regular basis.
- Support staff to promote positive relationships to help prevent bullying
- Recognise that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensure our pupils are aware that bullying concerns are dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Require all members of the community to work with school to uphold the policy.
- Recognise the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will see to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seek to learn from good anti bullying practices elsewhere.
- Utilises any support from the Local Authority or other outside agencies where appropriate.
