

Statement on British Values at St. Mary's CE VA Primary School.

The Government emphasises that schools are required to ensure that the fundamental 'British Values' of democracy, the rule of law, individual liberty, mutual respect and tolerance of those of different faiths and beliefs are promoted within the school community.

At St. Mary's we ensure that we meet this expectation through our taught curriculum, the spiritual, moral, social and cultural development of our pupils, daily acts of collective worship, RE and through our daily communications with parents and pupils and staff. St. Mary's is a Church of England Primary School and as such the Christian Values of respect, justice, service, truth, compassion, friendship, forgiveness, generosity and trust underpin all we do and inform the decisions we make. Our expectation is that all who are involved in our school share these values and actively promote them on a daily basis.

The following gives an indication of some of the ways we achieve this at St. Mary's CE VA Primary School:

Democracy

- Children are involved in democratic processes such as the election of school council representatives and house captains and class monitors.
- The daily act of collective worship is linked to Christian Values including values such as 'Justice' which explore themes surrounding democracy.
- Children in Upper KS2 study democracy in modern Britain through the PSHCE curriculum and reference is made to elected governments in other key stages.
